How Detroit

DOES PIZZA DIFFERENTLY

It starts with our dough, made in-house daily, and double stretched to create the light and airy crust that made us famous. Next, is our forged steel square pan, aged and seasoned, to give our pies a one-of-a-kind flavor and character with a crispy extra thick crust. Finally, it's a special Motown cheese blend with fresh and real ingredients.

There are no shortcuts along the way.

That's how we do Detroit!
